## About Us

NStechX India Pvt. Ltd. is a fintech innovation company built with a vision to solve real, high-impact challenges faced by the Indian banking and financial services ecosystem.

As a young and dynamic organization, we empower banks, NBFCs, and financial institutions with secure, scalable, and future-ready technology that supports rapid digital transformation while meeting evolving regulatory expectations.

Our solutions are designed to deliver measurable operational outcomes, enhanced transparency, and audit-ready compliance—positioning NStechX for strong growth in India’s expanding fintech landscape.

## Product & Solutions >> Reconciliation [\[Add Verif.ai logo\]](#)

**Verif.ai** is NStechX’s flagship **AI-driven, end-to-end reconciliation, settlement, and dispute management platform** designed for modern banking & Fintech environments.

Built as a **future-ready RegTech solution**, Verif.ai transforms how financial institutions manage transaction reconciliation, regulatory reporting, and dispute resolution—bringing intelligence, automation, and control into a single platform.

### **The Problem We Solve**

- Costly inefficiencies from manual reconciliation
- Increasing complexity of digital transactions
- Rising regulatory and audit scrutiny
- Lack of independent, auditable reconciliation solutions
- Urgent demand for real-time reporting and automation
